Boris Goldin moved to New York from Russia. He came looking for the "American Dream" - security and success, but his search took a whole different turn when his wife, Shulamit, became a believer in Yeshua (Jesus). Boris resisted her witness and argued vehemently with her. But as he began to read the Bible for himself, he sensed the reality of God. After a year and a half of searching, he accepted Yeshua as his Savior.

Boris helped begin a few new Russian outreaches in Brooklyn, New York. He knew God was calling him to serve in full-time ministry so he left a successful insurance business to become a missionary with Chosen People Ministries and also help lead a Russian-speaking congregation in South Florida.

In the many years since that time, Boris is now leading the work of CPM in the Ukraine and has helped to build a network of more than twenty Messianic congregations, which are working with Chosen People Ministries. At the same time, he has very fruitful ministry among Jewish people in Israel, Russia and Germany. Boris is also the President of the Association of Russian-speaking Messianic Jewish Congregations of America.

In addition to being a gifted evangelist and teacher, Boris Goldin is an effective preacher of God's Word. His passion is to see Jewish people throughout the world accept Yeshua as their promised Messiah.

Chosen People Ministries exists to pray for, evangelize, disciple and serve Jewish people everywhere and to help others do the same. Chosen People Ministries serves in 16 countries around the world with headquarters in New York City.
